Installing “RapidAffiliate”.

Installing the plugin is like installing any other WP plugin.

Step 1: Go to the "Plugins" section and click.

Step 2: Click "Add New" and Upload the included zip file.

Step 3: Activate "RapidAffiliate".

Using “RapidAffiliate”.

After activating the plugin, you can start creating sales pages by going to the RapidAffiliate Menu (Admin Sidebar) ---> Add New.

After doing this, you'll be able to enter the settings for you new **RapidAffiliate** page (you can create unlimited pages for all the affiliate products that you want to promote).

Everything is very intuitive (+ you'll find instructions for each step).

Bonuses: If you're offering a bonus for an affiliate promo, you can create a download page on the fly for them. Just enter the content for this download page and a private key to access this page.

After publishing you “RapidAffiliate” page, you'll be able to Access to this page by adding the following parameter...

[?bonuskey=yoursecretkey](#)

...at the end of your new page.

For example, if you've created the following page with RapidAffiliate....

<http://yoursite.com/wafr/product-xyz/>

....your download page (for your bonuses) will look like this:

<http://yoursite.com/raf/product-xyz/?bonuskey=yoursecretkey>

Remember to replace “yoursecretkey” with the key that you’re entered on the page.

If you’re using JVZoo or WarriorPlus, you can easily add your url (bonus delivery page) to your affiliate link (in general, when you click the “Get Link” button.

That’s all.
